

Acknowledgments

The following laboratories provided information about their testing services:

Baylor College of Medicine, Diagnostic Sequencing Laboratory
Benjamin B. Roa, Ph.D., Director

City of Hope Molecular Diagnostic Laboratory
Steven Sommer, M.D., Ph.D., Director

Huntington Medical Research Institutes, Molecular Oncology & Cancer Genetics Laboratory
Faye A. Eggerding, M.D., Director

Georgetown University Medical Center, Molecular Diagnostic Laboratory
Lee-Jun C. Wong, Ph.D., Director

Mayo Clinic, Molecular Genetics Laboratory
Stephen N. Thibodeau, Ph.D., Director

Memorial Sloan-Kettering Cancer Center, Diagnostic Molecular Genetics
Nathan A. Ellis, Ph.D., Director

Myriad Genetic Laboratories
Brian E. Ward, Ph.D., Director

University of Pennsylvania School of Medicine, Genetic Diagnostic Laboratory Haig Kazazian, M.D., Director

Carolyn Sue Richards, Ph.D., reviewed the manuscript and provided expert advice on technical questions about assays and quality assurance.

Philip R. Reilly, M.D., J. D., advised on the legal aspects.

Mary True provided expert editorial assistance.
